

Download and Install Instructions for Mac

Click this link to download the Interbillonline desktop icon.

www.interbill.com/downloads/Interbill_Launchpad_Mac.zip

This will download the file to your “Downloads” folder.

Open your Downloads folder and double click on the file Interbill_launchpad_mac.zip

This will create a file called Interbill_launchpad_mac.dmg.

Double click on this file. It will bring up a box so you can drag the Interbill Launchpad to your Applications folder, or just drag it to your desktop.
