

## Desktop Icon and Launchpad For PC

For quicker , smoother logging in, click this link to download the Interbill desktop icon and Launchpad

[http://www.interbill.com/downloads/Interbill\\_Launchpad-102-windows.zip](http://www.interbill.com/downloads/Interbill_Launchpad-102-windows.zip)

From the Popup window, select Save File and click OK.

Once saved double click to open the zip file . It will show an Interbill Launchpad setup.exe file. Just double click that to install. Click “next” and then click “install”

Once it’s finished you should have an icon on your desktop called “Interbill Launchpad”. Double click the icon to open the program.
